

OTHER RELEVANT COURSES (courses similar to HDF5-Sociology, psychology, kinesiology, Sociology, anthropology, communications, social work, etc)

(Please specify course by department, number and name)	<u>Semester/year</u>	<u>Instructor</u>
Course _____	_____	_____
Course _____	_____	_____
Course _____	_____	_____
Course _____	_____	_____
Course _____	_____	_____

- ❖ Briefly describe your career plans after graduation.

- ❖ Provide your anticipated schedule for your HDF 355 semester. Include days, time, name and course number of any classes you will be taking. Any correspondence courses, employment, volunteer work, or other commitments, such as organizations or clubs, should also be noted

- ❖ Is there anything you want to explain about your GPA?

- ❖ Is there any additional information you would like to provide the committee?

- ❖ If this will be your first semester for a 355, please indicate how many semesters you are planning to take a 355.

- ❖ Please rank order the types of research experiences you prefer, with one (1) being the most preferred and four (4) being the least. Ranking preference does not guarantee placement, nor does it commit you to a site.
 - _____ Child Development (e.g., focus on children’s development and outcomes)
 - _____ Family Relationships (e.g., parent-child or sibling interaction)
 - _____ Couple Relationships (e.g., marital or couple interaction)
 - _____ Children and Families in Larger Society (e.g., poverty and child development; effects of media on family interaction)

- ❖ Please indicate if you have a preference for any particular faculty members’ research. You can find current descriptions of individual faculty research on the web at <http://www.utexas.edu/depts/he/hdfs/hdfsresearchprac.htm>. If there are several research opportunities that interest you, please list them all and rank-order them. Please note you do not have to have a preference.

- ❖ What kind of experience are you looking for in HDF 355? (i.e. experience collecting data, coding interviews, coding videotaped interactions, entering and analyzing data, writing research papers).
